

THE XL FAMILY OF DEVICES

# CARRY CONFIDENCE WITH YOU

Ultra-reliable critical communications  
designed by and for those on the  
front lines.

# RADIOS THAT ARE ALL IN ON YOUR MISSION

When your mission is critical, you need a connection you can count on. At L3Harris, we do whatever it takes to deliver on that. From delivering the first converged Land Mobile Radio (LMR) with LTE, to developing the most heat-resistant radio on the market, we're continuously improving our solutions to keep pace with your needs. With roots in national defense, mission critical is in our DNA.

## BUILT FOR YOUR MISSION

From police and fire to utilities, transportation and education, every detail is built with your mission in mind.

## RELENTLESSLY RELIABLE

We design systems for redundancy and champion open networks so you can connect in ways others can't.

## POINT-TO-POINT SECURITY

Our intrinsically secure configurations are ironclad, keeping your systems safe from threats

## ALL-IN, 24/7 SUPPORT

Choose from a portfolio of service packages that will keep your radios up and running with preventative maintenance and automatic software upgrades.

Industry-leading options for advanced connectivity through LTE, Bluetooth, Wi-Fi, GPS and phone-app based radios

Reliable P25-compliance for seamless connection to other P25 networks

Loud, clear audio that pierces through noisy environments

Rugged construction to meet intrinsically safe and multiple MIL-SPEC standards for immersion and flammability

Multiple encryption options to keep communications secure

Compact and lightweight with long-life battery

Simple interfaces and ergonomic design for easy operation

## THE XL FAMILY OF DEVICES

Forged on the battlefield and ready for whatever your work demands, these ultra-reliable radios were designed by and for those on the frontlines.
